

**HELLO TO ONE,  
BYE TO ANOTHER**

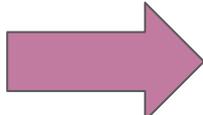

**Dr. Yang is moving closer to Richmond, VA to be with her family**

She was quiet and shy when she first arrived at Massanutten Dental Team from The West Virginia School Of Dentistry. Dr. Yang has been an important part of the MassDent Team for just over a year. We have watched her grow into her own, and establish herself as one of the top dentists in the area. Not only is Dr. Yang an awesome dentist, she is a great work colleague, and above all else, she is a very good friend. We will miss her high fives and smile in the mornings, and her longboarding stories. We wish her all the best in her new adventure. Dr. Yang will be missed by all of her patients and teammates.

**Amanda Palm joins our team of Hygienists**

Even though we have to say goodbye to one team member, we say hello and welcome to another. Amanda Palm joins our growing team. We now have four Registered Dental Hygienists to improve our patient care. When you see Amanda, say hello and welcome her to the MassDent Family.
